

ST JOSEPH'S COLLEGE TOOWOOMBA

School Uniform Policy

Rationale

The dress code of St Joseph's College requires a high standard of personal grooming together with an expectation that the correct uniform is worn appropriately at school and in the general community, including to and from school. This is necessary for our College to conform to Workplace Health and Safety guidelines, which include Sunsmart practices. This policy is also to ensure that a positive image of the College is presented both internally and outwardly to the wider community.

Value and Principles

In exercising our duty of care through Workplace Health and Safety, including Sunsmart legislation the staff and parents will be diligent in helping students to be consistent in implementing the current uniform policy. The dress code instils in the students to take pride in their appearance and show respect for themselves and the College by wearing the uniform with dignity.

This policy seeks to reinforce, through wearing the uniform correctly, the following:

- Creating a sense of belonging to the College community
- Providing circumstances to allow equity for all
- All students being witness to the values of St Joseph's College.

Guidelines

All students are required to wear the uniform as per the School Uniform Guidelines and present themselves well at all times.

It is expected that the uniform be presented in a clean and presentable condition.

If any part of the uniform does not comply with the College expectations we ask that parent/s or caregiver/s please provide a note or other communication to the Pastoral Care teacher in the morning. A similar note or other communication will be required each day until the uniform is deemed compliant or an alternative arrangement is agreed upon by the College Administration team. Students need to be aware that the College will set high standards in relation to the uniform and it is expected that the students will fulfil their obligations in meeting these standards.

Uniform Regulations- Information for Parents and Caregivers

Parents and caregivers are requested to ensure that these regulations are adhered to and to foster in their child pride in the wearing of the College uniform.

Students are expected to arrive and depart each day in the appropriate College uniform worn neatly. Students are expected to wear the College uniform maintaining the same high standards off campus as they would when on campus.

The correct sport uniform is to be worn for all sporting activities and PE lessons.

Shoes are to be kept clean and polished and maintained in good condition. Students are to wear the prescribed College socks, with long socks pulled up at all times.

Incorrect uniform or presentation will be addressed initially by the P/C teacher with the student, then parents and caregivers will be contacted to assist in resolving the issue, if necessary. Failure to correct the breaches may result in the student being sent home until the issue is resolved.
