

ST JOSEPH'S COLLEGE

SKI TRIP RULES AND PROCEDURES

Please read the following:

1. Students will obey SJC Staff directions at all times, be courteous, polite and cooperative. Teachers are giving up their holidays to supervise you, we want to have a good time, so cooperate and everyone will get along fine.
2. Students will not leave the motel unsupervised at any time.
3. NO MALES IN FEMALES ROOMS OR VISA VERSA. If any student is found in a room of the opposite sex they will be denied at least a day's skiing automatically.
4. Students must participate in lessons and skiing to the best of their ability. It is an expensive trip to attend; you are not to waste your money by spending all day in the canteen when we get to the slopes. If you have trouble picking up skiing techniques initially, persevere and you will improve.
5. Students must be at the bus on time (7.15am morning departure from hotel and 4.00pm afternoon departure from slopes). These times are vital to ensure that we can get to lessons on time and get off the mountain safely.
6. This is a school trip. Students who cannot obey the rules will be denied skiing privileges or in serious cases, be sent home AT THEIR PARENT'S EXPENSE.
