

BLUEDOGTRAINING

CERTIFICATE I IN CONSTRUCTION

This pre-vocational course in construction provided through Blue Dog Training is recommended as a pre-apprenticeship pathway to a building and construction trade qualification.

The Certificate I in Construction is essentially a two year practical course requiring students to become competent in skills necessary for entry into several building and construction trades.

Throughout this course students undertake a range of practical projects and activities to provide evidence of their competency within each of the units of study. Some possible career pathways include:

- ✓ Construction worker
- ✓ Carpenter
- ✓ Bricklayer
- ✓ Tiler
- ✓ Plasterer
- ✓ Painter
- ✓ Plumber

Blue Dog Training does not charge any fees for students to participate in this program. However, students cannot access funding for more than one (1) Employability Stream Course whilst at school. This is a funding requirement for Pre-Qualified Suppliers (PQS). Subsidies for VETiS are detailed in the Queensland Training Subsidies List.

Funding is provided by the Department of Employment, Small Business and Training.

CPCCCM1015A - Carry out measurements and calculations

CPCCCM1011A - Undertake basic estimation and costing

Assessment

This is a competency based course with most of the units using online theory and practical components covered through practical projects, activities or student demonstration. The students are assessed as either competent or not yet competent. Students may gain three (3) credit points towards their QCE.

To achieve this qualification, the candidate must demonstrate competency in the 8 core units & 3 elective units.
