Term 2 Issue 11

Dear Parents, students and Caregivers,

Welcome to the second term, albeit a very staggered start. Last term we farewelled the following staff members: Natasha Digweed, Jessica Trinder and Russell Bryant and this term we welcome our new staff, Jacqueline Dignon, Shelly Farwell and Gerry Saide. I hope their time at St Joseph's will be productive and life giving.

Routines

It doesn't take long to realise that life is more than simply a series of highs and lows. By and large, existence as we know it is not a display of moments marked either by excitement or despair, by dazzling hope or formidable tragedy. It is in fact, basically routine. Largely uneventful, essentially predictable. Life is by and large, more commonplace than always exciting, more customary than electrifying, more usual than unusual, and so, no surprisingly is the school year.

It is what we do routinely, not what we do rarely that delineates the character of a person. It is the daily way we act ordinarily, not rarely that defines us as either kind, or angry, or faithful or constant.

For our students, coming to school is routine, it is what we do each day. Importantly it is our attitude and commitment each day that makes the difference. By now all families should have received an interim report, so this means each student knows which area(s) they need to improve or work on to ensure they are successful by the end of the semester (a goal). It is the attitude and commitment to these goals that will make the difference, especially over the next few months when routines become ordinary and it is easy to slip and let the studies and assignments become tedious and rushed. As parents and teachers, it is important to guide and help each person, remember the significance of being organised and really giving every assignment or test the best possible efforts.

I look forward to seeing and hearing the success our students achieve over the next ten weeks.

This week's reflection:

The essence of life is not to find one thing that satisfies us but to realise that nothing can ever completely satisfy us. And that's all right.

Reflection

We are often not the Easter People
that we should be,
living in the certain knowledge
of your great mercy and love.
Distracted by the world around us
we fail to hear your voice,
or hide when faith is challenged
as we wander off the path.
Forgive us, we pray;
restore the love that we first had,
a faith that can endure.
We will keep our eyes fixed on you, Lord,
and with you at our right hand
we shall not be shaken.
Amen.

ANZAC Day

Last Wednesday, the College commemorated ANZAC Day with a full College Service. We welcomed past students, Drew Holzworth and Lieutenant Colonel Tony Cameron and his family, the staff and students of YCLC and Mr Joe Treers, who served in the navy for 20 years. Lieutenant Colonel Tony Cameron gave the address reminding us of the value of forgiveness in working towards peace.

This photo shows our senior students who represented the College at the Mothers Memorial on ANZAC day.

A Poppy Banner created by the members of the War Widows Guild of Queensland Toowoomba branch was hung on the back of the stage. Three mats were created for 100th anniversary of the Armistice in 2018. Each mat is 3 m x 2 m. All flowers are approximately 12 cm diameter. We thank the 13 Australian Cadet Unit for loaning us this banner.

Feast of Edmund Rice

This Wednesday, the College will celebrate the Feast of Edmund Rice with a full College Eucharist. At this Mass, Year 12 student Hamish McIlveen and College staff member Tamika Robinson will conclude their Catechumenate journey. Hamish will be baptised and both he and Tamika will receive the Sacraments of Confirmation and Eucharist. We are blessed to be able to share this journey with them and celebrate as a whole College community this significant moment in their lives.

Application process

I will submit applications online, on behalf of students. A student who wishes to apply for special provision directly to the QCAA rather than through the school should phone (07) 3864 0227. Applications are currently open.

Documentation

Students must provide suitable documentation to support their application which is uploaded with the application. Medical documentation must be provided by a suitably qualified person who is not related to the student and is not employed by the school.

For further information, please ask your son or daughter to contact me at the College

Queensland Certificate of Education

Access Arrangements and Reasonable Adjustments (AARA) – Year 11 2019

In the new QCE System, AARA – formerly known as special provisions – minimise barriers for eligible students to demonstrate their learning, knowledge and skill in assessment.

AARA are for students who may have a disability, impairment and/or medical conditions or experience other circumstances that may be a barrier to their performance in assessment.

Schools are required to submit applications for AARA on their students' behalf. The due date for submissions for ongoing and long-term conditions for current Year 11 students is the end of Term 1, 2020.

If you have any questions, please contact Mr Darcy Goodall (Middle Leader – Student Services) or myself.

A reminder that Term Two Parent Teacher Interviews are on **Wednesday, 8 May from 1:15pm to 6:30pm**. School will finish at 12:30pm on this day to allow for these important interviews.

Students who need to remain at school due to late buses will be supervised in the library until 3:00pm. If your son or daughter needs to be supervised could you please notify the College Office by 3:00pm **Tuesday, 7 May** so appropriate supervision can be organised.

St Joseph's College has an online booking system to enable parents and carers to make appointments for this allocated time.

Bookings can be made at: <https://sobs.com.au/pt3/parent.php?schoolid=790>.

The booking system is open for parents **until 9am Friday, 3 May 2019**.

In order for teachers to prepare for the interviews, **no further bookings can be made after this close date**. If the time you would like to book has already been booked by another parent, you will not be able to access that time, and will need to select another time slot.

Enquiries about the process can be made to Mrs Petrina Edser (4631 8500) during office hours.

Holly Nguyen recently competed at the Youth Muaythai Nationals at the Gold Coast. She received a silver & has gained a place on the World Team competing in Turkey in September.

Congratulations Holly, such a great achievement.

Weekly FOCUS

Mrs. Megan Puhakka
McAuley House Coordinator

It is a great pleasure to be the acting McAuley House Leader for 2019. The students have been incredibly sincere and welcoming towards me and the new staff within our House.

2019 has seen changes within some Pastoral Care Groups and we welcome all the new staff who work alongside your children during their educational journey. The wellbeing of students is catered for through the House system. Each House values the achievement of individual and collective excellence and has a team of staff responsible for the social, emotional, intellectual and physical development of the students.

The McAuley staff team includes;

- A1 Shelley Hunt
- A2 Luci Harris/Sophie Unsworth
- A3 Peter Keightley
- A4 Anita McMartin
- A5 Jenny Stead/Natalie Wright
- A6 Bridget Hines
- A7 Janet Reed
- A8 Megan Scott
- A9 Chris Fitzpatrick/John Hegarty

House Leaders – Hamish McIlveen, Gabrielle Brac and Nathan Gaffney
House Coordinator – Megan Puhakka

There are many activities which bind the Houses to the total school community such as Sporting Carnivals as well as significant rituals and celebrations that help students feel part of a diverse community that embraces individual attributes of all students.

Sporting events are pivotal to cultivating a strong sense of House pride and assist with building school culture. Our swimming carnival reflected everything great about McAuley House and I was impressed with the athleticism and the participation from our students. Character was well and truly on display with high student participation, enthusiasm and peer support. Congratulations to our students who performed both in and out of the pool on the day. McAuley Seniors led our House with enthusiasm and the constant cheering was encouraging for all the competitors on the day. Our enthusiasm and character bedazzled the school and McAuley won the Spirit Award for the 2019 Swimming Carnival.

McAuley students are extremely generous and display compassion and concern for others. This is displayed not only during whole House events but also within PC Groups in their ability to give regularly to the missions. In Term One, students within McAuley raised a total of \$274.60. This is something I am extremely proud of for our students and they are to be commended for their thought for others.

On March 15th we celebrated St Joseph's day. This year McAuley joined together for damper at morning tea and a shared sausage sizzle at lunch. During the afternoon we divided into year levels and rotated through a variety of activities.

Some of these were:

- War cry writing
- Creating with clay symbols that represent McAuley House
- Get-to-know-you activities and games

Our senior students led these various groups with maturity and the students enjoyed the various activities within their House. Our weekly House meetings have been an opportunity to come together as a whole group and celebrate the successes of those amongst us. We have so many talented young students that excel both within school and outside of school. Our senior students have implemented a five-minute fun Friday. A variety of different activities take place that can be quite humorous at times.

Thank you to all the McAuley parents, staff and students who have been supportive during this year so far. I look forward to working with you all in the educational journey of our students.

WELCOME TO OUR NEW STAFF!

Each week we would like to take the opportunity to introduce you to some of our new staff for 2019.

Name: Karen Tobin

Teaching areas and year levels: I am teaching Year 12, 11 and 9 English

What excites you about learning? I draw energy and passion from working with young adults, and establishing learning relationships that develop their self-belief and capability in their own learning.

What are you looking forward to as a teacher at St Joseph's? I am looking forward to continuing to establish and involve myself in the St Joseph's College community and helping students reach their goals.

Favourite inspiring quote: "You can. You should. And if you start, you will".

What does this mean to you? This quote reminds me to always stand tall and listen to my inner voice and above all, be confident.

Years 7 & 8 Parents Book Club

Who: Parents of Year 7 and 8 students

What: An opportunity to read and discuss the novel your Yr 7 or 8 child is reading for Term 2.

When: Week 2 or 3 of Term 2 (Actual dates and times to be decided)

Where: The Library

In Weeks 2 and 3 of next term, we are planning on running a number of book clubs based on the novels being studied in Yrs 7 & 8. This may provide you with an insight to the book, along with the opportunity to discuss it with your child and others.

While your child has the book, over the holidays, you may have the time/chance to read it. This would allow you to be familiar with the book, as well as developing opinions and questions.

If you would like to be a part of a book club that discusses the novel your child is reading, please email (staff-library@sjc.qld.edu.au) preferably by 5 April, include:

- Your name
- Your child's class, eg, 7J, 8O, etc
- Whether a 4pm or 6pm time, to get together, would better suit you
- Any questions you have

Once we have the necessary details, we will let you know what best suits the majority of people for a date and time to meet, along with what might guide the discussions.

Darling Downs Representation

Congratulations to Oliver Gregson who is part of the 12 years Darling Downs touch team. He will travel to Chinchilla from June 13th to 16th to compete in the state championships. We wish him and the team all the best of luck.

Cross Country

Wednesday May 1st Kearneys Spring

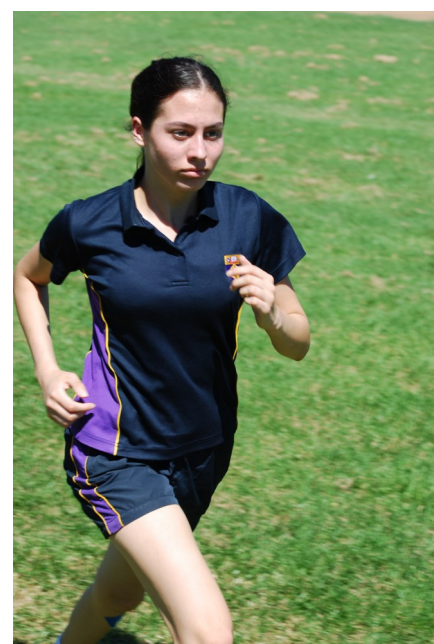

The annual College Cross Country will take place next Wednesday. All students are expected to be in attendance to either walk the event or run for their House. All students who compete receive points for their House as well as age championships.

Preparation for the Event

Drink plenty of water leading up to the event not just the day of the carnival. Drinking soft drinks is not suitable hydration. Be careful drinking milk as it may make you very sick. On the day of the event continue to sip water throughout the morning as you do not want too much water in your stomach when you go to run as it can cause a stitch. Rehydrate after the race to ensure you keep your water levels up.

Be careful when you eat as this can also create digestion problems – eat a large breakfast of foods that are slow energy releasing – rolled oats, toast etc so that the food is digested before you run. Be sure to have some food available when you have finished running to replace energy stores.

Wear appropriate shoes so that blisters do not prevent you from running. Tie your shoe laces in double knots so that they do not come undone. Running in jumpers or tracksuits is inappropriate as your body will get too hot and distressed – wear your sports uniform. Make sure you put plenty of sunscreen on and apply at least 30 minutes before you compete.
