Term 2 Issue 12

Dear Parents, Students and Caregivers.

At a recent conference, Professor Pasi Sahlberg (World Leader in Education Policy) talked about the value of play in childhood, adolescence and as adults. In particular why we don't take it seriously.

Play psychologists insist, it is essential to childhood development. More than that, researchers in the effects of play make clear that play is important to our own development as adults as well. Which means that what we don't learn about play as children will return to haunt us as we get older. It is the training ground, researchers affirm repeatedly of both the happy child and the healthy adult.

The effects of play follow us through the years always stretching us, often relaxing us and helping us reshape our world. It is the only arena in life where failure can be fun, and creativity is really encouraged, and talent tested without personal cost. Eventually we come to realise that all of life is a game, really, and some of its rules simply don't work anymore. In fact, some of the rules actually make the game impossible to play. A few of them take the fun out of life entirely. Most of all, we learn in play to be flexible, to realise that losing does not mean that we will never play again. It means that we must learn how to lose and then return to play again. Having learned to lose, whether playing on a team or shooting baskets alone in our backyard, we know clearly there is no such thing as always winning. We learn that some people have better scores than us and we learn to respect those with talents that are beyond our own. We learn that play is therapeutic as it is socially or physically developmental. Play keeps the world sane in a world where time never ends.

The question we are required to ask is how much play is there in our world? The happiness of our lives may well depend on the answer.

Congratulations

Last Wednesday, the College celebrated Edmund Rice day, the Founder of the Christian Brothers – who were the original caretakers of St Joseph's. Edmund Rice was very particular in his quest for equality and importantly equity, so everybody was on a level playing field regardless of their status. He cared for those around him and tried to give them an experience of a more meaningful life. It was during this celebration, we welcomed Miss Tamala Robinson and one of our current school captains, Hamish McIlveen, into the Catholic church. This was a very moving ceremony and one which enriched all who attended. It is excellent role modelling for our community to see the spiritual aspects of life is still important in a secular world. Both Tamika and Hamish both expressed a similar sentiment to Edmund Rice in their care for others and how important this has become for them. I wish them well in their pursuits of a better society for all.

This week's reflection:

To lose in the struggle to make the world better than what it is, is honourable. To quit trying just because winning does not seem possible is not. (Edmund Burke)

## Feast of Edmund Rice

### Reflection by Hamish and Tamika (after communion)

We thank you, O God

- for those people who are channels of your love in our lives;
- for those who gave us birth, and, in the weakness of our infancy, sheltered, nurtured and treasured us;
- for those who taught us to walk, to talk and to explore tastes, smells, sounds and to experience the warmth of belonging and embracing;
- for those who overlooked our faults and affirmed our strengths, and the friends, young and old, who shared our tears and laughter.

We thank you, Lord, for the people of strong faith who stretch our minds and enable us to love others through the experience of being loved.

We thank you for those very sincere people who have demonstrated the joys and disciplines of the Kingdom of God, and especially people who taught us to love you.

God of love, for these experiences of growth and loving and for the knowledge that the best is yet to come, we thank you through Jesus Christ our Lord. Amen.

### Initiation of Hamish McIlveen and Tamika Robinson into the Catholic Faith Community

With faith, hope and love, we welcomed Fr Ray, Hamish and Tamika's family and friends, as well as the Year 12s from 2018. to our Liturgy for the Feast of Edmund Rice and the initiation of Hamish and Tamika into the Catholic Community.

Hamish McIlveen, (Year 12 College Captain) and Tamika Robinson (Year 12, 2016 and present staff member) were formally welcomed into the Catholic community.

During the Baptism Ritual, Hamish, was asked if it were his desire to be baptised. Hamish and Tamika were anointed with the Oil of Chrism by Fr Ray.

You are anointed as **priest** to be a mediator between people.

You are anointed as **prophet** to be a person of hope.

You are anointed as **king** to treat every human being with the same dignity.

On behalf of the College community, we would like to thank Hamish and Tamika for choosing to mark this important occasion with us. We feel honoured to be part of their faith journey and thank them for the example they have shown us.

Mr Lynch presented a gift to Hamish and Tamika. May it remind them of just how loved they are.

### Breakfast Club

Thank you to Mrs Wright, A5, Mr Canning and Ms Unsworth for our outreach to Clifford Park on Wednesday morning.

**ROSIES**  
Friends on the Street

Thank you to Mrs Reed, Mr Denham and Year 12s, Taylah Baxter and Ethan Chambers for cooking and serving the bbq dinner at Harlaxton on Wednesday night.

As always, our Tuckshop staff did an amazing job of preparing our food for this outreach.

### Next Outreach - May 29

Good morning.

Thank you, Fr Ray, Mrs Rasmussen and sponsors, for giving your spiritual guidance. Thanks to the St Joseph's College community for your witness of this special occasion.

It is because of the College community I chose to become a Catholic. To me, being a Catholic is about showing compassion to all people by protecting others in times of great pain and suffering. Being a Catholic is about showing love and appreciation for one another in times of joy and happiness. In front of me are young men and women who come from all walks of life. In front of me are young men and women who believe in love, compassion, service to humanity and who follow and protect the College values—which are Catholic values. It is because of the College community I chose to become a Catholic.

Glory be to God.

Hamish McIlveen

In 2012, I was fortunate enough to become part of the St Joseph's College community. During my time at the College I have been exposed to many service activities where I see 'Serve Him in Others' being lived out every day. I believe the Catholic values of Compassion, Endeavour, Respect and Dignity have shaped me to be the person I am today. From the moment I put on the St Joseph's College uniform, I felt a strong sense of belonging, and it felt like home. I knew that for me the next step was to affirm my faith through my initiation into the Catholic Church. I have always felt a part of this community, but I wanted it to become official and to be a member of the one big family that we pride ourselves on, in this community as well as the wider community. When choosing a Saints name to carry with me along this journey, St Therese of Lisieux resonated. St Therese saw God through ordinary actions and through being a part of this community for 8 years now it was the ordinary actions of every one of you, that I too felt the presence of God amongst us. This is what being a Catholic means to me, ordinary actions exemplified with great love for one another, living out the values on a daily basis. I feel grateful for the journey I have had so far and I look forward to continuing my faith experience with the support of my sponsors Miss Kellie Ford and Mrs Pamela Sullivan, Fr Ray, Mrs Julieanne Rasmussen, my family, friends and the community of St Joseph's that I am very proud to be a part. So, thank you to this wonderful community for displaying to me that every day, in some way, shape or form, we can 'Serve Him in Others'.

## 2019 QCS Test: Special provision

Special provision is available to students who are affected by a medical condition, an impairment or exceptional circumstances that may act as a barrier for their access to the test or to their demonstration of achievement in the test.

### Before the test — applications are open.

Special provision	Who may apply	Closing date
<b>Special arrangements</b> are practical adjustments to the test conditions, e.g. restbreaks, A3-size test materials, computer.	OP-eligible students OP-ineligible students Private-entry candidates	<b>Long-term impairments</b> — Applications close on <b>Tuesday 21 May 2019</b> , unless the condition is diagnosed after this date.  <b>Short-term impairments</b> — Do not submit an application before the category-specific dates shown on pages 9–21 of the <i>2019 Special provision handbook: Queensland Core Skills (QCS) Test</i> .
<b>Exemption</b> allows a student to be absent from the test and remain eligible for an OP. Exemption will be considered where students are so severely affected by their impairment/circumstances that they will be unable to sit the test with the special arrangements that are available.	OP-eligible students	

### After the test — applications open on Tuesday 3 September 2019 (Day 1 QCS Test)

Special provision	Who may apply	Closing date
<b>Absentee exemption</b> allows a student who was absent from the test to remain eligible for an OP. The absence must have been unforeseen and unavoidable.	OP-eligible students	Applications close on <b>Thursday 10 October 2019</b> .
Special provision	Who may apply	Closing date
<b>Declaring a test grade null and void</b> allows a student who sat the test to choose not to receive a test grade. OP-eligible students remain eligible for an OP. Students may apply if they believe that illness or exceptional circumstances significantly affected their performance during all or part of the test.	OP-eligible students OP-ineligible students Private-entry candidates	Applications close on <b>Thursday 10 October 2019</b> .

### Application process

I will submit applications online, on behalf of students. A student who wishes to apply for special provision directly to the QCAA rather than through the school should phone (07) 3864 0227. Applications are currently open.

### Documentation

Students must provide suitable documentation to support their application which is uploaded with the application. Medical documentation must be provided by a suitably qualified person who is not related to the student and is not employed by the school.

For further information, please ask your son or daughter to contact me at the College

# Parent-Teacher Interviews

A reminder that Term Two Parent Teacher Interviews are on **Wednesday, 8 May from 1:15pm to 6:30pm**. School will finish at 12:30pm on this day to allow for these important interviews.

Students who need to remain at school due to late buses will be supervised in the library until 3:00pm. If your son or daughter needs to be supervised could you please notify the College Office by 3:00pm **Tuesday, 7 May** so appropriate supervision can be organised.

St Joseph's College has an online booking system to enable parents and carers to make appointments for this allocated time.

Bookings can be made at: <https://sobs.com.au/pt3/parent.php?schoolid=790>.

The booking system is open for parents **until 9am Friday, 3 May 2019**.

In order for teachers to prepare for the interviews, **no further bookings can be made after this close date**. If the time you would like to book has already been booked by another parent, you will not be able to access that time, and will need to select another time slot.

Enquiries about the process can be made to Mrs Petrina Edser (4631 8500) during office hours.

### Access Arrangements and Reasonable Adjustments (AARA) – Year 11 2019

In the new QCE System, AARA – formerly known as special provisions – minimise barriers for eligible students to demonstrate their learning, knowledge and skill in assessment.

AARA are for students who may have a disability, impairment and/or medical conditions or experience other circumstances that may be a barrier to their performance in assessment.

Schools are required to submit applications for AARA on their students' behalf.

The due date for submissions for ongoing and long-term conditions for current Year 11 students is the end of Term 1, 2020.

If you have any questions, please contact Mr Darcy Goodall (Middle Leader – Student Services) or Mrs Kerrie-Anne Fellenberg.

## Coach Mr Bruce Cook

On Sunday 28 April 2019, Mr Cook and Year 11 students Liam Frost, Adriel Green, Jase Sampson and Henry Teakle competed in the annual Milne Bay Military Challenge 15KM teams event.

The Milne Bay Military Challenge is a charity endurance event which is held once a year in the National Parks of Toowoomba. The challenge is an initiative of the Rotary Club of Toowoomba South and its satellite club, Rotary Edge, and raises funds for local charities.

The Milne Bay Military Challenge is held in recognition of the Darling Downs based 25th Australian Infantry Battalion. The event honors the hallowed memory of the many men who voluntarily enlisted from the Downs, and who entrained at or passed through Toowoomba to become members of the 25th Battalion.

The 15KM course took the team through both Jubilee and Redwood Parks and saw a record number of competitors. The St Joseph's College team won the 15KM schools events with a time of 2 hours and 1 minute. This is the second time that this team has won the event. Congratulations to the St Joey's Purple team.

# Weekly FOCUS

Business  
Mrs Maree Harman

Tourism is a growing industry and has so many possibilities. St Joseph's College has introduced a new subject in 2019, called Tourism. Tourism is an Applied Subject and provides students with opportunities to examine the impacts of tourism, investigate career paths and employment opportunities available in the tourism industry and the interconnectedness of businesses associated with tourism.

To facilitate their learning, the Year 11 Tourism students visited Wellcamp (Brisbane West) Airport on Friday, 26 April 2019. The tour of Australia's newest airport brought tourism to life for the students and they could see first hand the operations and logistics of the airport. They were given a tour of the check-in area and heard background information on the history and vision of the airport. The plans for the inland railway were explained to the students and they were shown a model of this plan. We were given a unique opportunity to be part of guided tour that showed the students the behind the scene operations of the airport.

Tourism is a growing industry and is creating many job opportunities for these young future leaders in Tourism. It was a great day and we thank the staff at Wellcamp Airport for being so welcoming

# WELCOME TO OUR NEW STAFF!

**Teaching areas and year levels:** Art (7, 10, 11) and Religion (8)

**What excites you about learning?** Discovering something new and putting it into practise.

**What are you looking forward to as a teacher at St Joseph's?** The Art Show. Experiencing the whole school events.

**Favourite inspiring quote:** "The effort you put in is the result you get". I made this quote up to help motivate my students.

**What does this mean to you?** This quote although doesn't mean you can't do better or won't do worse with the amount of effort you put in, but simply tries to encourage a 'give-it-a-go' and a 'do-your-best' attitude.

### Rugby Union

During the school holidays 4 St Joseph's year 7 boys represented Souths Toowoomba Rugby Union at the U12 TASRC Armidale Carnival against 51 teams from all over Qld, NSW, ACT & WA. After 3 long days filled with some wins, losses and a draw the boys & there team placed 5th in their Division 2 pool. It was a fantastic effort and a great experience for the boys.

Well done to Joshua Wyatt, Oscar Meara, Oliver Gregson and Dylan Stephens

### Darling Downs Representatives

Congratulations to Chelsea Hollist and Charlie Jensen who have been named in the 12 years Darling Downs Hockey teams after the trials on Tuesday afternoon. We also congratulate Pypah Ferguson on her selection in the 12 girls Netball team to play in Bundaberg in June. Congratulations also to Oliver Gregson for making the Darling Downs 12 years Touch. We certainly have some wonderful sporting talent here at St Joseph's College.

### Cross Country

### Wednesday May 8, Kearneys Spring

The annual College Cross Country will take place next Wednesday. All students are expected to be in attendance to either walk the event or run for their House. All students who compete receive points for their House as well as age championships.

#### Preparation for the Event

Drink plenty of water leading up to the event not just the day of the carnival. Drinking soft drinks is not suitable hydration. Be careful drinking milk as it may make you very sick. On the day of the event continue to sip water throughout the morning as you do not want too much water in your stomach when you go to run as it can cause a stitch. Rehydrate after the race to ensure you keep your water levels up.

Be careful when you eat as this can also create digestion problems – eat a large breakfast of foods that are slow energy releasing – rolled oats, toast etc so that the food is digested before you run. Be sure to have some food available when you have finished running to replace energy stores.

Wear appropriate shoes so that blisters do not prevent you from running. Tie your shoe laces in double knots so that they do not come undone. Running in jumpers or tracksuits is inappropriate as your body will get too hot and distressed – wear your sports uniform. Make sure you put plenty of sunscreen on and apply at least 30 minutes before you compete.
