The school's mission

St Joseph's College is a faith community where Christian principles permeate all aspects of College life. The College aims to foster intellectual growth in students and to promote in them integrity, respect for truth, openness to reality and a respect for scholarly virtues. The College helps students to grow as individuals with their unique gifts and positive self-esteem. The College is a Catholic community in which care and love for each other is demonstrated.

Distinctive curriculum offerings

St Joseph's College offers a fixed curriculum as per ACARA and Religious Education documents for Year 7 and Year 8 for the major key learning areas, and a semester-unitised curriculum in Years 9 and 10 where students choose Semester Electives over 2 years.

In the senior years students select 6 subjects from the 40 subjects on offer across Years 11 and 12. These include Queensland Authority Subjects, SAS and VET courses. The delivery of this curriculum is within a timetable which fosters equity between various curricular areas.

Extra-curricular activities

As well as the timetabled curriculum, St Joseph's College offers a range of sporting, cultural and academic extra-curricular activities in which students participate and complete a holistic education. These activities include a wide variety of sports, instrumental music program, choirs, choral and instrumental eisteddfods, mooted and debating teams, science and engineering competitions, Tournament of Minds, National academic competitions: (English, Mathematics) and Rostrum Voice of Youth.

There are opportunities available for students to participate in extended tours/excursions associated with various Key Learning Area departments.

Social climate (including pastoral care and student behaviour support)

St Joseph's College values the right of all its members to feel welcome, safe and valued. We have a strong pastoral care program based on a family model, with students grouped into four separate Houses with nine vertical pastoral care groups in each House.

Students are challenged to support the College motto 'Serve Him in Others' through charity, social justice outreach and welfare programs organised through the College.

The College community supports the College's student behaviour support plan. Incidents of bullying are addressed as soon as they are apparent. Once the Pastoral Care teacher is informed, information is discussed with the relevant House Coordinator and the Assistant Principal – Students. Strategies are implemented according to the procedures of the Anti-Bullying policy and of the Behaviour, Suspension and Exclusion policy.

Characteristics of the student body

The student body Comprises of

- 70% Catholic Religious, 30% other Christian denominations
- 3% recognise as Indigenous
- 5% of the student population have a disability
- 0.25% of the student population are in the care of the state
- 4% of the student population have English as a Second Language.

Parent/carer involvement

Description of how non-attendance of students is managed by the school

Rolls are marked at the beginning of every lesson. Absences which are noted by teaching staff at roll call are reported to the College Office. Office staff, using the noted contact numbers, contact parents using SMS/message software seeking a response explanation of the student's absence. Upon the first day of the student's return to school, a note is handed to a staff member who has daily contact with the individual student/family. The note is then kept in the student's file. Should absences become an issue, a meeting with the Assistant Principal – Students is arranged to discuss the matter.
