APPLICATION PERIOD  
**OPENS** 3 August 2020 and  
**CLOSES** 4 September 2020

### How will doing an apprenticeship or traineeship benefit me?

Apprenticeships and Traineeships are a viable career pathway alternative where you learn new skills and get paid at the same time. It's an amazing opportunity to kick start your career no matter what type of the apprenticeships or traineeships you choose to do.

Because you are working in a real job while you are learning, you get exposure to real-life situations and learn how to deal with them in a mentoring environment. You do some learning on-the-job and attend college to get more specific practical experience, you will work with other people and receive instructions from supervisors on how to manage your time, the disciplines of being responsible for creating a great work and much more.

### What do I include in your application?

You should provide a cover letter and resume when applying for one of the available roles. Your cover letter should outline your interest in the role you are applying for, why you are interested in the role and why you would be a great choice.

Having a well written and presentable resume is a crucial part of the employment process as employers shortlist applicants based on their resume content so therefore it is important to make your resume stand out. Resumes should not be longer than two pages so keep your resume concise, only include details that are relevant and include details of two (2) referees.

### What else may I need to know?

Shortlisted candidates will be required to undertake a medical assessment prior to final offers being made. These will be organised and paid for by GoldenWest Apprenticeships and Origin and you will be advised accordingly.

Offers of employment will be made to the successful candidates in late October 2020.

### When do the roles commence?

All roles will commence in January 2021.

### Where can I apply?

To apply for these opportunities please complete an application online at [www.goldenwest.org.au](http://www.goldenwest.org.au)

### What does the application journey look like?

Gaining an apprenticeship or traineeship with Origin is highly competitive and incorporates a number of steps over a number of weeks. The process includes:

- When the application period closes, applicants will be shortlisted for a first round of interviews with Golden West Apprenticeships.
- A second round of interviews will then be held with Origin for candidates who progress to the next round.
- If necessary candidates will be invited to attend an Assessment Centre where they will participate in activities and assessments.
