Lachlan has reviewed rental properties with other properties of similar rooms and location and has suggested an increase in rental.

55 Gouldson Drive – increase to \$360 when lease is renewed in February.

NB listed at \$340 in December and took until Feb for lease to be signed for a 12mth time period. [If P & F would like increase suggest a possible increase of \\$10 for the next 12 months?](#)

5 Murphy St – Increase to \$315 when lease is renewed in February.

NB listed at \$310 after carpet and bathroom had been finished but feedback was that the rent was too high. Current tenant said was willing to sign 12 mth lease at \$305 due to proximity to East State School. [Are the P & F willing to leave at the current rate with an \\$5 increase to occur in 2022?](#)

73 Crown Street – Increase to \$280 with a further increase on next lease to \$290

Unsure of the reason why Crown St has low rental amount, but all the Crown St properties within the school block were under market values.

[Would the P & F be looking at a slight increase of a possible \\$10 with another increase for the next 6 month lease \\$5-10. Ie Jan \\$265 / wk and then in July \\$270-275 / wk?](#)
