

# Pathway2Teach

**Pathway2Teach** provides Education students with the opportunity to gain authentic classroom experience as part of

## **St Joseph's College's Professional Learning Community**

### ***As a Pathway2Teach participant, you will:***

- Be paired with an **experienced teacher mentor** who will support your growth and professional learning.
- **Attend the College one day per week** in a paid casual role for the duration of the program.
- **Receive approximately \$2200** in remuneration across the program period.
- Access the **St Joseph's College Professional Learning Framework**, including development opportunities offered throughout the year.
